

Somali women visit the marketplace in Mogadishu and stop to check out the fresh breads. Mogadishu is the capital and largest city of Somalia, a country on the northeastern coast of Africa. Mogadishu is a major port on the Indian Ocean but was largely destroyed by fighting during a civil war that began in the early 1990s.

## Fadarashin (combination dinner)

This full, flavorful combination plate includes basmati rice, pasta, goat meat, and chicken drumsticks. An appetizer of samosa typically starts off this meal. Fadasashin is served with salad, limes and Sabayad / Jabati bread. As with most Somali dishes, fresh bananas are also included.
